The objectives of the Program are to:

For the purposes hereof, a Corporate Group is defined as the applicant and its Related Parties². Consequently, different companies composing a Corporate Group cannot submit separate applications.

¹ Theatres operated by municipalities are also eligible.

² “**Related Parties**” are defined as parties that are related within the meaning of the CPA Canada Handbook, as that definition may be amended, completed or replaced from time to time, and as that definition may be adapted by Telefilm to the context of the film and television industry. Two or more parties are related when they are subject to common control, joint control or common significant influence. Related parties also include management and immediate family members.”

2. Terms of Funding

Subject to the availability of funds, Telefilm's funding will take the form of a non-repayable contribution calculated on the basis of the number of Canadian feature films exhibited by movie theatres between January 1 and December 31, 2023.

Telefilm's financial participation may be up to \$5,000 per theatre³, up to a total of \$10,000 per Corporate Group. Funding may be higher or lesser, depending on the number of applications received.

Telefilm's funding must be used towards:

- a. Promotional expenses for the theatrical release of Canadian films during the upcoming year;
