#ModoBAM

Due to the unique challenges the industry is facing, we have decided to move the BAM experience to the online environment. We look forward to bring the audiovisual industry together around an exciting agenda, enriched with activities that will highlight the good stories and the local talent. The BAM is also an opportunity to discuss new trends and challenges, meet key industry players, promote professional networks of contacts and facilitate the possibility of business.

Don't miss out on our regular information updates posted on social media, our web page and newsletter. In the meantime, learn about the different sections that we have planned for you.

Via www.bogotamarket.com you will have access to
