

HIGH BUDGET PRODUCTIONS (NEW TREATY – IRELAND)

Note: This document only applies to projects governed by treaties that have come into force as of July 1st, 2014.

The budget amounts are provided for information purposes only and should serve as **indicators** for projects that could potentially qualify as high budget productions, subject to approval of the authorities of the coproducing States.

Producers should contact Telefilm to determine whether their proposed project meets the threshold for a “high budget production”.
